Innovation

# Ideagen engines of innovation

## Customer Ideation

Customers are at the heart of everything we do so our short term roadmaps are heavily influenced by customers.

In the past releases customer ideas contribute on average more than 60% of our functional enhancements.

## Subject Matter Expertise

Ideagen prides itself on our expertise and thought leadership.

Our Product team are both passionate product people and subject matter experts.

This means that the vision they set for their products are built on strong foundations with an eye to the future.

## Intelligent

Our continued investment in AI and automation means that we will continue to add value for our customers by adding intelligent automation across our solutions.

Using technologies such as computer vision, NLP, neural networks and big data we will continue to innovate across our portfolio.

Thank you
